

STATE OF CALIFORNIA  
STATE WATER RESOURCES CONTROL BOARD

In the Matter of the Petitions  
of the Forest Service, U. S.  
Department of Agriculture, and  
Heavenly Valley to Review Action  
by the California Regional Water  
Quality Control Board, Lahontan  
Region

Order No. 71-33

On October 21, 1971, the Forest Service, United States Department of Agriculture, hereinafter referred to as the Forest Service, submitted a petition to the State Water Resources Control Board, hereinafter referred to as the State Board, regarding Order No. 6-71-32 of the California Regional Water Quality Control Board, Lahontan Region, hereinafter referred to as the regional board. On October 22, 1971, Heavenly Valley submitted a petition, also regarding regional board Order No. 6-71-32. These petitions request the State Board to stay the effects of the Order and after a hearing vacate said order.

The State Board finds that:

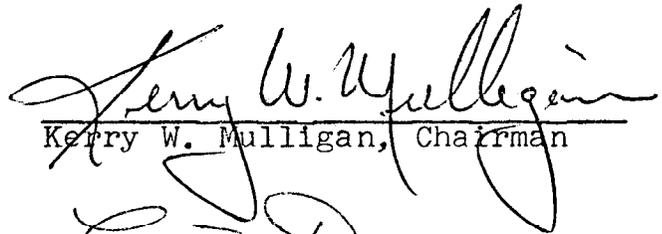

1. The petitioners do not allege facts indicating that a stay of the regional board order is necessary to prevent irreparable injury or hardship or would otherwise be in the public interest.
2. The evidence received at the hearing may be insufficient to establish the appropriateness of the regional board action.

Therefore it is ordered that:

1. The stay of the regional board order requested by the Forest Service and Heavenly Valley is denied.

2. A hearing be held at the earliest practicable date, after notice to all parties concerned, to review the action of the regional board and to receive additional evidence.

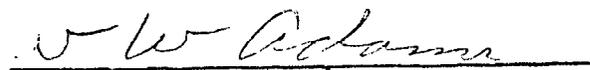

Dated:
